LINEA CHIC : CLASSICA e ARMONIOSA

L'originale placca sottile e preziosa trasferisce lusso ed originalità ad ogni ambiente. Non passa inosservata e perciò si trasforma in elemento d'arredo mentre le soluzioni cromo, marmo, vetro o legno conferiscono stile e lusso allo stesso tempo.

►Linea CHIC valorizza ogni ambiente con la nuova placca dalle dimensioni nuove e originali- una stupenda cornice per valorizzare con stile ogni ambiente. Linea CHIC dove razionalità e raffinatezza si incontrano .

▲

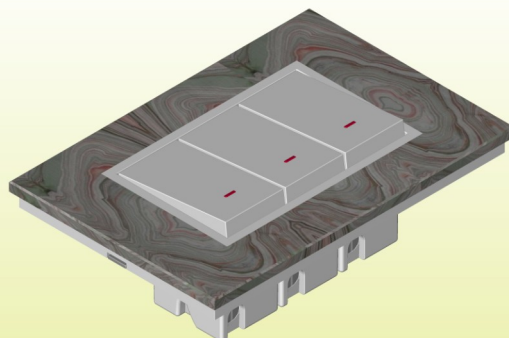

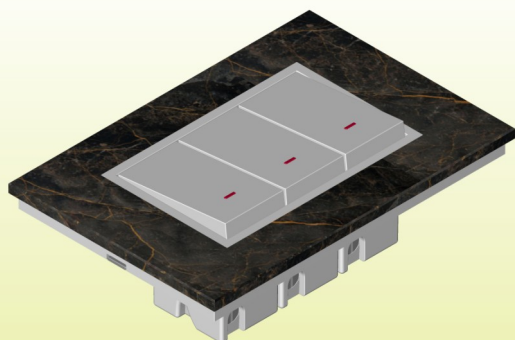

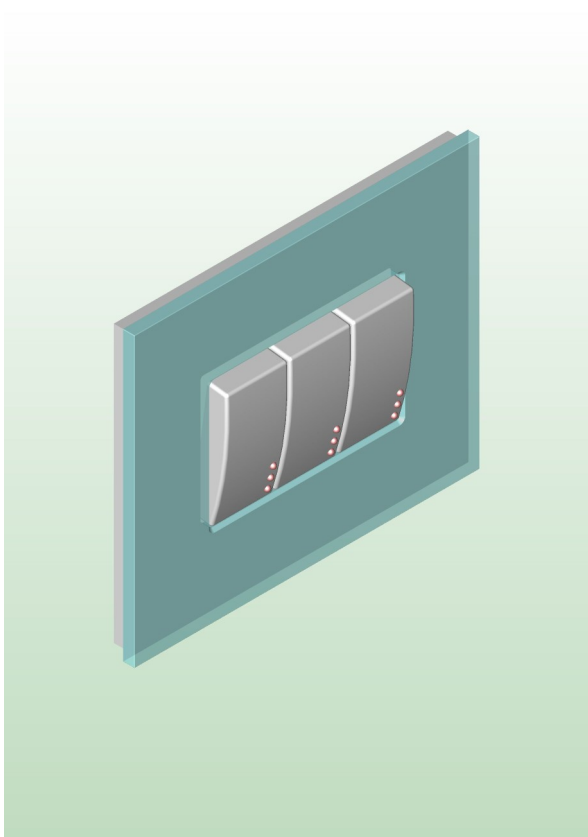

CHIC LINE: LUXURY and CHARMING

The original thin and precious plaque transfers luxury and originality to every environment. It does not go unnoticed and therefore is transformed into a piece of furniture while the solutions chrome, marble, glass or wood give style and luxury at the same time.

▲

►CHIC line enhances each room with the new plate with new and original dimensions - a beautiful frame to enhance each room with style. CHIC line where rationality and refinement meet.
