Fashion style for the luxury yacht interior decoration —Made by many colors and customization

LINE CHIC : CLASSIC and HARMONIOUS

The original thin and precious plaque gives luxury and originality to every environment.

It does not go unnoticed therefore it becomes a piece of furniture while the solutions Chrome, Marble, Glass and Wood give style and luxury at the same time

► CHIC line enhances each room with the new plate with new and original dimensions. A beautiful frame to exalt with style every corner of the house. CHIC line where rationality and refinement meet.
